History of SECUREX

SECUREX-ASIA is the pioneer series of security conferences and exhibition for the private security industry in Asia since 1983. Since then, SECUREX has been held in all the major cities in Asia from Singapore, Kuala Lumpur, Jakarta, Bangkok, Manila, Shanghai, Perth.

Over the years, SECUREX has been supported by major Security industry associations in various Asia Pacific countries, particularly from its home base in Singapore by **the Security Association of Singapore** and other local security associations.

With the growth of the private security industry to encompass related industries, SECUREX has also gained the support of international organisations such as the **Council of International Investigators, ASIS International** and others.
